

*The following should be done before any journey by air travel. The Moon should be applying to conjoin or making an amicable aspect to Alcyone and the latter should be on the Ascendant. The Ring of the Pleiades from the **Quindecim Stellis** should be anointed and worn and the hand held aloft. Additionally any other talismans should be exposed or held in the other hand as appropriate and any lamps of the Pleiades should be lit. Frankincense grains should be burned as a suffumigation with or without fennel.*

O, mighty and beautiful star cluster of the Pleiades, O Seven Sisters, I call upon thee in your names of **Alcyone, Maia, Taygete, Electra, Celoenos, Sterope** and **Merope**, that you swiftly raise great winds so that storms, delays, confusions and troubles are sent far away from N.N. etc in all of our travels—and may our homes likewise be protected while we travel for our safe return.

I ask this here and now in the name of the angel of my nativity N. and my rights and privileges as [initiatory hierarchy stuff] and an initiate of thy court.

I call upon you, Holy Angel **Zeezowbeaw (ZIZAUBIO)** from the company of the Pleiades to whom you are subordinate and serve for all things, for whatever she may command you: you great indestructible fire-breathing one; who casts the tether of Heaven, through which tether all things turn upon Earth.

And also I call upon you; yourselves, who are angels who have been stationed beneath **Zeezowbeaw's** power. Hence I call upon you all—that you come quickly in this hour to protect us and facilitate all of our journeys, along all of our respective paths.

I conjure you O lord who rises above the Earth of the whole cosmic region, by the One ruling the whole inhabited world and the benefactor of all.

Hence I call upon you in this hour and ask that you protect us and speed us safely and happily along to our destinations, O Angel **Zeezowbeaw**.

May this talisman and ring I wear forever and ever protect and increase the light of the eyes, raise winds, gather dæmones and spirits of the dead to come and speak, and make me know of secret and hidden things; at my will, at my command, and at my desire.

I ask this in the name of the Seven Sisters of the Pleiades; **Alcyone, Maia, Taygete, Electra, Celoenos, Sterope** and **Merope**, and in the name of the **Angel of the Pleiades, Zeezowbeaw**; and all of the spirits of the Pleiades.

AMEN.
